New Beginning of Oracle Academy & Career Institute Rajgarh (Alwar) Raj.

By the grace of Lord Krishna Oracle Academy & Career Institute, Rajgarh came into existence in the year 2025 as the first private school of Rajgarh and the auspicious beginning so made today proclaims its momentous accomplishments in academic as well as non-academic fields. Over the years we have grown into one of tri-city's leading group of institutions, providing academic excellence to our students. This is facilitated by dedicated educators who are trained to channelize their energy and resources towards child-centered qualitative learning. The institution provides value based education and the teaching is done with a practical approach to ensure that the students have theoretical as well as practical knowledge of the subject. To accomplish this vision we have well equipped laboratories and smart classes. The school offers the following streams for Play group to VIII & Pre-foundation, foundation and is dedicated towards fulfilling, developmental and caring environment conducive to learning and teaching.

We are going to provide such type of the facilities like as fully Air- conditioner building, AI & Robotic labs, Computer labs Modern- Infrastructure based classrooms.

We Promise to serve the public selflessly, The all round development of children will be our priority. We assure you that through this Academy, We will produce doctors and engineers for you.

ARobotic Lab

An AI (Artificial Intelligence) lab is a place where experts work together to develop intelligent systems. AI labs use cutting-edge technology to create algorithms that enable machines to learn, solve problems, and perform tasks that normally require human intelligence.

What do AI labs do?

- Research and develop new technologies
- Create machine learning models to solve problems, make decisions, or create predictions
- Test and implement new learning concepts into teaching programs
- Promote and develop digitalization options and business ideas
- Transfer knowledge through research, teaching, and collaboration with partners

Admission

Admission to the Academy is open to all irrespective of creed religion or class. Students are admitted from Play Group to VIII, Pre-Foundation & Foundation classes has been decided to promote our own students. Students seeking admission to various classes are required to get their names registered in the months of April to proceeding the session commencing in July. Registration fee will be 150/- only. The admission will be on merit and upon the seats available.

Students from other schools will be admitted only if they come from the institutions affiliated to recognized Boards. It is binding for such students to take qualify for admission For admission, the students are required to produce a genuine certificate of date of birth and a school leaving certificate from the previous school. A applications for fresh admission are entertained mainly at the primary & middle level. The registration for admission to various standereds

Robotic Lab

A robotic lab is a dedicated space where individuals, typically students or researchers, can design, build, program, and test robots, providing a hands-on learning environment to apply theoretical knowledge of science, technology, engineering, and mathematics (STEM) concepts through practical application, fostering critical thinking, problem-solving skills, and creativity while developing proficiency in robotics technology; it often includes various robotic platforms, sensors, actuators, computer workstations, and necessary tools for fabrication and assembly, allowing users to experiment with different robot designs and functionalities across various applications like mobile robotics, manipulation, and automation.

Payment of Fee

No Fee Concession for brother/sister is available for new admission. The duplicate Bank receipt for dues will be issued only on payment of Rs. 10/-. The payment will not be accepted without the bank receipt book. Online Fee payment is also available at the website: www.

"Vidya Sarvopari" – At Oracle Education Hub, we believe that true success lies not in creating winners but in recognizing and nurturing them. Our vision is to be a center of excellence that fosters lifelong learning, strong character, and holistic development, empowering students to excel academically and beyond.

VISION

"Knowledge has a beginning but no end." Our mission is to provide the right environment and stimulus for the all-round development of every child. We go beyond conventional education by integrating experiential learning, hands-on activities, and research-based methodologies. With a strong foundation in literacy and numeracy, we emphasize 21st-century skills, critical thinking, and character building, ensuring students are well-prepared for both academic success and life's

MISSION

Student's Pledge

I am proud of being a student of **Oracle Academy** and **Carrer Institute Rajgarh**. I promise to be honest, truthful, courteous, straight-forward, just, punctual, industrious, loyal and gentle but firm in word and deed. I will do my best to maintain the glory of my religion, the dignity of my school, the honour of my country and do nothing to bring discredit to them. I pledge complete faith in God, the brotherhood of mankind, simple and truthful living and shall not indulge in any anti activity.

"A good director creates an environment, which gives the actor the encouragement to fly. "

If our school is a pen , the parents are the ink, joining together we can write the success story of educational development of our children.

The Purpose of education is not just to produce academicians but also develop humane and sensitive citizens.

An oracle academy and career institute, we ensure that a congenial environment for learning is maintained while making sure that children have enough opportunities to develop their personal and interpersonal skills.

Our teachers are well qualified & share a passion for teaching. Thereby bringing our the best in both themselves and their students. We edify our students in classical as well as contemporary models of learning while giving them a solid foundation in cultural in sights of the world.

We firmly believe that parents role in the child's educational development is crucial. It is the parents who are the first guru of the child. So We create mutual respect and shrine to establish continuous communication between parents, teachers and administration
An oracle academy and career institute more than an ordinary school. We encourage students to embark on difficult, challenging journeys that stretch their potential. But we do so with an unyielding faith in capacities of our management and staff of oracle academy and career institute is deeply committed to work tirelessly in order to make our student. Learning experience an exciting and educating one.

Manoj Kumar Saini
Director

About the School

Education is the key that unlocks the Golden door to Success

With a pursuit to spread the light of quality education, and holistic development of children, Oracle Academy is established In March 2025 respectively. Academy has attained the status of one of the most prestigious institutions of the city with a string system of education. The school has created a niche for itself on the map of this city with the strenuous efforts of management, worthy members-in-charge, an aspirant principal and a team of highly competent faculty. The institution also serves its growth to the team of multitaskers who have taken up the task of shaping young minds into dignified and responsible personalities.

"The Key to my motivation has always been to look at how still to go rather than how far I had come."

It is rightly sad that "The whole purpose of education is to teach the child to think and not what to think We at **Oracle Academy and Career Institute**, believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, while wholly centering on students achievements. This is the fundamental truth and it has always been the endeavour of the school to instill right values in its students so that they develop a holistic personality and are ready to take not the challenges head on once they step out of the gates of the school.

We have set out an elevating and stimulative journey with the aim of providing our children an exclusive learning experience by teaching them to march ahead with positive attitude, skill confidence, sensitivity and responsibility.

The unmatched and impressive heights of glory at which our school stands today bears Testimony to the fact the school is fiercely committed to pursue excellence in all the fields, be it in academic, sports, ethics or aesthetics. In this contemporary world where cut throat competition has become a part and parcel of life, it is of supreme importance that we teach our children to be competent enough and tall amongst others with their extra ordinary skills and come out victorious from the realms of this challenging labyrinth.

We emanate and sprinkle an atmosphere where each child receives love, dignity and acceptance The trust here is to blend thoroughly the modern and traditional approach which is conducive for learners Children bere learn through exploration and experimentation with a plethora of extra curricular activities, the students gain optimus exposure and acquire confidence. We are focused to achieve our aim by providing an exemplary infrastructure to work upon a child's physical, mental and artistic faculties. I wish the best of fortune, peace and prosperity to all my children.

Virender Singh Katech
Principal

*"Successful leaders see the opportunities
in every difficulty rather than the
difficulty in every opportunity."*

A Beacon of light who illuminates & streets us towards the path of success.....
A towering inspiration
You stand like a general in command
With generosity and compassion
You taught us to have courage
And Sublime faith in self
Strength not to follow the crowd
After the night we see the dawn
Hold our heads high
And we radiant with pride

It is extremely gratifying to see this glorious institution growing from strength to strength. Our intent is to shape tomorrow citizen and make them academically sound, Physically robust, morally upright and oozing with confidence Multidimensional events are organized to unravel the children's talent and make them well groomed. Ours is a cohesive system which gives a strong and balanced impetus to academic rigour and co-curricular achievements. We are also making a gradual and steady foray into infra structural changes to give our students a resourceful learning environment with seasoned teaching and establishment staff, We look forward for creating global citizens whose outlook will be modern and value grounded best opportunities are provided to each child to recognize aptitude, maximize potential enhance performance and overcome weaknesses We envisage that before leaving the ramparts of the oracle academy and career Institute, Every child is packed with positivism and imbued with lofty ideals, right habits, altitudes and manners

Saroj Saini
Chairman

*"Success is not a final destination,
it is a break of journey
on the way of life."*

In the highly competitive world, we had planted the seeds of success mantra with a firm conviction of bringing about a revolution in the field of entrance examination coaching. It gives the immense pleasure to see the seeds. Blossoming into a force bearing the fruit of change, we aspired to us her into the segment.

Competitive examinations are different from the theoretical ones. This is why you need to have an entirely different approach towards the former besides. The level of entrance examination has been constantly rising. It is becoming increasingly difficult, Even for the highly competent students to crack through without any guidance. This is the reason but this segment has observed mushrooming of coaching centers.

But my dear students you need to understand and evaluate the importance of a good coaching in your journey of entrance examination A good coaching will help you hone your skills and produce better result over here, I will like to quote a saying that goes as "success" is life is founded upon produce better results.

Once you have joined the oracle career Institute We ensure that you do not have to walk bare-footed on this journey and we are there to comfort you and provide cushion at final step to success

Himanshu Joshi
Centre Head

Welcome to the Oracle career Institute, Rajgarh

Oracle career institute, rajgarh is a premier coaching institute dedicated to shaping young minds for a successful future. Along with top-notch schooling from Nursery to 12th class, we provide expert guidance for IIT-JEE, NEET, Foundation, and NTSE. Our structured curriculum, personalized mentoring, and innovative teaching methods ensure academic excellence with a result-oriented approach.

We focus on conceptual clarity, problem-solving skills, and exam strategies to help students achieve their dreams. With a commitment to quality education and student success, **Oracle career institute** is the perfect destination for aspiring engineers, doctors, and professionals. Join us and take the first step toward a bright future!

Pre-foundation

Oracle career institute, rajgarh offers a structured Pre-Foundation Coaching program designed for students of classes 9th, and 10th. Our program builds a strong conceptual base in Mathematics, Science, and Mental Ability, ensuring a smooth transition to IIT-JEE, NEET, OLYMPIAD AND other competitive exams. With expert faculty, interactive learning, and regular assessments, we focus on concept clarity, problem-solving skills, and academic excellence. Our early preparation approach boosts confidence and analytical thinking, laying the foundation for future success. Join Oracle career institute,, RAJGARH, and take the first step toward a bright engineering & Doctors career! Enroll today for a head start in competitive exams!

Foundation

Oracle career institute, rajgarh, offers top-notch **Foundation Coaching** for students aiming to build a solid base in **Mathematics, Science, and Logical Reasoning**. Our expert faculty ensures conceptual clarity and problem-solving skills, essential for excelling in IIT-JEE, NEET, and Olympiads. With **personalized attention, interactive learning, and regular assessments**, we nurture young minds for future success. Our structured approach prepares students from an early stage, making competitive exams easier to crack. Join **Oracle career institute, rajgarh**, and take the first step toward your dream career! **Strong Foundation, Bright Future!**

IIT-JEE

Oracle career institute, rajgarh, is dedicated to providing top-tier IIT-JEE preparation with a focus on comprehensive learning and skill development. Our expert faculty members use innovative teaching methods to ensure a deep understanding of complex subjects and a strategic approach to problem-solving. We offer personalized attention to each student, helping them excel in both theoretical and practical aspects of the exam. With regular mock tests, doubt-clearing sessions, and a well-structured curriculum, **Oracle career institute** ensures that students are fully equipped to achieve their dreams of cracking IIT-JEE and securing a bright future in engineering.

NEET UG

Oracle career institute, rajgarh offers comprehensive NEET preparation for aspiring medical students. With expert faculty and a structured curriculum, the institute focuses on building strong fundamentals in Physics, Chemistry, and Biology. Personalized attention is provided to each student, ensuring their unique learning needs are met. Regular mock tests, doubt-solving sessions, and study material designed by experienced educators enhance the preparation process. The institute creates a competitive yet supportive environment, motivating students to achieve their best. **Oracle career institute** is dedicated to transforming dreams into reality, guiding students towards success in NEET and beyond.

Academic Excellence

Academic performance is the outcome of education. Oracle Academy and Career Institutes aims to improve students achievements and get all the students to ready for college and career success. School is academically driven that typically sees its pupils achieve the highest levels of academic attainment.

The Momentous Celebrations

To inculcate the qualities of education we celebrate all Festivals as Lohri, Baisakhi, Diwali, Teacher's Day, Independence Day, Republic Day etc. The cultural programmes enable our students to learn the importance attached with every festival whether religious, cultural or national.

The Arctic & Hi-tech Library

The school has a spacious fully AC library which provides excellent reading facilities to the students and staff. It subscribes to all important magazines, educational journals and newspapers. More than 10,000 books have been placed in the library to cater the needs of the students.

The hilarious Computer & Science Labs

We have a new fully AC computer lab with 35 multimedia computers having vast internet facilities with latest and advanced technologies and techniques related to IT. As we all know mere knowledge in theory is not good enough for students. Computer labs are scientifically designed to provide practical exposure to the students. There are interactive boards to aid teaching and learning process to emphasise on multimedia presentation. Apart from this, the school also has a splendid Science Lab well equipped with all the modern and sophisticated apparatus to fulfill the demand of our future scientists.

The Amicable Faculty

As the Academy has always aimed at providing quality education and to make this aim come true we have a team of 60 teachers. Our dedicated and well qualified staff has always toiled hard to open the gates of bright and successful world. It is because of hard labour of our teachers and students that we have shown excellent results of CBSE.

Robotic Lab

A robotic lab is a dedicated space where individuals, typically students or researchers, can design, build, program, and test robots, providing a hands-on learning environment to apply theoretical knowledge of science, technology, engineering, and mathematics (STEM) concepts through practical application, fostering critical thinking, problem-solving skills, and creativity while developing proficiency in robotics technology; it often includes various robotic platforms, sensors, actuators, computer workstations, and necessary tools for fabrication and assembly, allowing users to experiment with different robot designs and functionalities across various applications like mobile robotics, manipulation, and automation.
